

The Electronic Package

£150 attendance fee is all you pay. £195 at weekends. Photographs are displayed on the online album section of the web site and prints may be purchased as required. At least 80 prints to choose from. Coverage is only at the wedding ceremony and reception.

Fee payable at time of booking.

This is designed for the smaller wedding and 50 miles from Brighton

The Poynings Package

You will get full coverage at the ceremony whether at a church or civil venue and we will photograph you, your family, and friends at the reception. We are happy to meet you at the Church or other venue prior to the wedding to discuss shots and locations within the area. Naturally this is included in our fee.

A ten page Graphistudio Album designed (see Wedding Book below) from a selection of over 150 photographs. These will also be displayed in the online albums, and you get a preview album to choose your prints, which you can keep. I will also provide a selection of 6 x 4 inch images at the reception for you.

If you would prefer a handmade traditional album...no problem choose from the [Denis Wright Range](#)

£895.00

Deposit £125, balance due 28 days prior to wedding.

The Mid Way Selection

An ideal package for the medium size wedding, attending at the brides home for some formal and reportage pictures, full coverage of the church or wedding venue and also full coverage of the reception.

One photographer producing over 250 images of which you may select images to be presented in a digital wedding album of 15 pages. (Note you may have multiple images on a page) All the images are shown on the online albums section of the website for friends and guests to select any picture they would like. Don't forget if it's a traditional album you prefer see our selection at [Denis Wright](#)

I will also give you a preview album of all the images to help you make your final selection. The preview album is for you to keep. Please note digital albums may take 8 weeks after you make your choice. I will give you some 6 x 4 inches images at the reception for you to keep. Also you will receive a DVD of all images taken to keep

£1295 inclusive

5% may be deducted for any weekday

Deposit £125 balance due 28 days prior to the wedding

The Newtimber Selection

This is the preferred selection for most weddings

Coverage of the whole day, including the bride's home, usually two photographers producing between 400 and 600 shots to choose from.

All will be displayed on the web site. You may choose 50 images to keep which is included within the price, others may be purchased as required.

The Wedding Book you will receive is 20 x 30cm album with 30 pages displaying up to 90 images, it will be metallic pages with a standard cover of your choice, two parent books and 20 mini albums to send to friends, also a wedding calendar with your images on for the following year.

We carry a set of studio portrait lights which we will use in the case of bad weather to produce studio portraits of you and your guests. Extra time must be allowed for set up and photography, so please speak with your wedding planner or get them to call me.

With this collection it is important that we visit the venues prior to the event, perhaps you would like to meet us there so we can discuss the options, naturally this is included in our fees.

To help you with your choice you will also receive a preview album which you may keep. This can be provided later at the reception if required, but that will cost a little extra. UK only

£1995.00 inc.

5% maybe deducted for any weekday
